1. INTRODUCTION

1.1 The Club

Woodlands FC was founded early in 2007 by the management team of an existing Derbyshire based girls football team, and with the continued support and backing of Woodlands Community School at Allestree. Since then the club has expanded and now has several age groups ranging from the Future Stars who are 5 years old through to the Ladies team which is 16+ and plays out of the Rolls Royce Leisure Facility.

We currently have over one two hundred girls involved across the age groups with the vast majority competing at league level. For the forthcoming 2018/2019 season the teams will be competing in the Nottinghamshire girls league, Derbyshire Girls an Ladies League and the East Midlands Women's Regional Football Premier League.

All the teams are self funding, and rely on local companies for sponsorship supplemented by fund raising activities and parental subs, details of which can be seen on our website.

1.2 Charter Standard and Woodlands FC Operating Philosophy

Above all, the club seeks a safe and professional enjoyment of sport for all involved, with particular notice that many involved are young children and at this time all players are female. The safe custody of those in our care is of paramount importance to us as a club.

The FA charter standard is considered to be the benchmark of good practice for operating children's Football teams, and Woodlands FC operates to this high standard.

The Club Committee wish to continue to operate the club, achieving the high standards of the charter standard and this places obligations on teams playing under the umbrella of the Woodlands FC with regard to the management structure, DBS checking of individuals; formation of accounts etc and FA Coaching Levels being implemented across all age ranges.

Compliance with the Charter standard requirements is now mandatory for teams operating as part of the Woodlands FC, and failure to achieve this standard may result in individual teams membership of Woodlands FC being reviewed. The club Committee will provide assistance and guidance to Charter standard requirements through the Club Secretary.

The Club Committee wishes Woodlands FC to be regarded as a benchmark of good practice for safe and professional enjoyment of sport for all involved, and seeks to present a consistent and professional image to the world.

Recognising the diverse nature of the teams currently operating under the Woodlands FC banner, the Committee seeks to encourage open and effective communication between all involved to knit all the age group teams, into one united football club.

To that effect it is now seen as useful to publish a member's handbook to provide guidelines and policies, leading to that united football club.

1.3 Health & Safety Policy

Woodlands Football Club is committed to providing a safe working, coaching, teaching and learning environment for all its members. Responsibility for health and safety ultimately lies with the Club Committee and Team Managers. However, all members have a legal responsibility, as stated under Section 7 of the Health and Safety at Work Act 1974, to do everything practicable to prevent an accident or injury to themselves and to fellow members. The Team Managers are responsible for ensuring this information is fully understood by their team and their members.

Woodlands Football Club aims to promote health and safety, so far as reasonably practicable, by ensuring:

- The provision and maintenance of safe equipment that poses no risk to health
- The provision of relevant information to members, personnel and any related third parties, including instruction, training and supervision, as is necessary to ensure health and safety
- Maintenance of safe environments, including a means of access in a condition that is safe and without risk to health
- The club is required to carry out risk assessments of its facilities and check pitches before use for obvious dangers i.e. broken glass, cans etc.
- The club will ensure that each team has a trained First Aider present at training sessions and matches along with a fully stocked First Aid Kit.
- The club will ensure procedures are in place to deal with administering First Aid and medical treatment and that all coaches are aware of these procedures.
- The club will ensure procedures are in place for dealing with and reporting accidents and incidents and that all coaches are aware of these procedures
- The club will establish guidelines for transporting club members to and from football activities
- The club will ensure that registration forms are completed for each club member showing emergency contact a medical information and is signed by a parent/guardian
- The club will ensure that managers are aware that all such registration forms be available at training sessions and matches
- No child or young person will be treated in any way in a situation where the child or young person is on his/her own. Another adult should always be present
- The club recognises that treatment of an injured player will require physical contact and is acceptable and necessary to administer First Aid effectively.
- The club will ensure that coaches/First Aiders are aware of good and poor practice or possible abuse that may arise within a First Aid context.
- Progressive identification and assessment of all risk, taking measures to eliminate or control it
- Compliance with statutory regulation on health and safety and welfare of candidates, personnel and any related third parties
- The health and safety and welfare of vulnerable candidates is addressed through positive action
- All required and appropriately qualified members of personnel are given training to identify and control potentially hazardous situations/environments
- Effective measures are in place to deal with emergencies.
- The club has public and civil liability insurance and follows the expectations of the insurance policy
- The club is aware of the need to have knowledge of procedures relating to Health and Safety of its hired facilities
-

This list is not exhaustive and represents general principles followed by Woodlands Football Club in respect of health and safety.

4. CLUB FUNDING AND SPONSORSHIP

Individual teams within the club are self funding through sponsorship, fund raising and subscriptions from members. Teams are responsible for their own operating costs. In addition, teams will contribute to the Woodlands FC Committee who will administer shared items on their behalf. Shared items consist of FA affiliation; Website and forum operating costs; certain approved Committee member expenses incurred performing duties for all teams, etc.

As a club we actively encourage all teams to pursue sponsorship and fund raising opportunities within the local business community.

The Committee seeks a consistent approach to funding to reinforce the professional image of the club. Teams are requested to advise the Committee regarding current and potential sponsorship arrangements; the Committee reserves the right to reject sponsorship from companies or individuals which conflict with the club and its policies.

Individual team sponsorship is generally used for team equipment or kit which will carry the sponsor's logo or details, however sponsorship may also be used to fund an event or presentation night trophies etc and this is left to the discretion of the team manager with agreement from their sponsor.

Team managers need to note that it is a requirement of charter standard club management that external activities (i.e. other than training sessions, friendly and league football matches) need to be properly managed and will most likely need a risk assessment to be carried out ([Click Here For Risk Assessment Form](#)). The Club Committee can provide advice and guidance through the Club Secretary, who must be informed of events in advance, ideally through the regular working group meetings.

Teams are encouraged to make arrangements for members and officials to be trained as appropriate .e.g. coaching courses appropriate to the team "age". Teams will make provision to recover fees paid should coaches move on with 12 months.

5. INSURANCE

The Club is affiliated to the Derbyshire FA (by the Club Committee) as part of the annual fee payable by each age group to the Club. As part of this affiliation all members are covered by insurance to at a minimum level of cover of as arranged by the County FA, for training and matches. Policy details are available for inspection from the Club Secretary.

This insurance is considered by the Club Committee to be a suitable minimum level, however team managers attention is drawn to the fact that it does not cover such as long term illness or loss of earnings for players or coaching staff, and team managers are encouraged to arrange such additional cover as may be necessary for the unique circumstances of their team.

Insurance cover for other than training and matches, e.g. fundraising, needs to be checked with the Club Secretary.

6. PUBLICITY

As part of our efforts to raise the profile of the Club within the area, the Club Committee actively encourages team managers to provide match reports and articles about their teams for publication in local news papers, such as the Belper News or Derby Telegraph etc, whilst ensuring a current match report is always present on the clubs forum for everyone to view their progress.

The Club Committee seeks a consistent approach to publicity to reinforce the professional image of the club, for guidance contact the Club Chairman.

7. TEAM EQUIPMENT

The teams within Woodlands FC always used to have a divergence in kit, as a result of each team's unique history. The Committee aspired to have a recognisable and common Woodlands FC team kit across all the age groups. All the teams within Woodlands FC now have the common team kit and colours and are very recognisable when playing home, away or at tournaments etc.

It is believed that consolidation of the orders from each team through a common supplier, as far as possible, should also result in advantageous terms and our chosen supplier is now TAG.

It is not the intent of the club to impose additional costs on teams within Woodlands FC, the Committee seeks an ordered transition to a common format as situations allow.

Where an age group wishes to enter two or more teams in a particular league, they will be differentiated through the use of colours: e.g. Woodlands FC Black Socks, White Socks or Green Socks for clarity to the league.

All playing kit and team equipment remains the property of Woodlands FC. Players (or their parents / guardians as appropriate) accept responsibility for any items of kit whilst in their possession and must return equipment to the Club when requested. An additional charge may be payable if any items are lost or damaged.

8.3 FA Guidelines for Social Media

We would ask that you as a parent/carer to be aware of the following best practice promoted within football:

- Ensure you are aware of how coaches, managers and other members of the club or league should communicate with your son/daughter.
- Show an interest in the communications between the club, you and your daughter. Open communication about club and league activities/issues often mean concerns are picked up early and issues can be resolved easily.
- Familiarise yourself with The FAs guidance for clubs in relation to websites, text messaging and social networking sites.
- Familiarise yourself with the social networking sites your child is using. Did you know children U13 are not supposed to use Facebook. 13-17 year olds are given different 'set up' security features within Facebook so please ensure that they are set up correctly using their real DOB and haven't bypassed this.
- If you are not getting copied into club/team text messages or emails raise this with the club and ask that you are added into these communications immediately.
- Know who your club welfare officer is and how to contact them if you have any concerns about the content of club/league web pages or in relation to the welfare of your son/daughter.
- Ensure you tell your child to tell someone they trust about communications that make them feel uncomfortable or where they've been asked not to tell their parent/carer about the communication.
- Remember as a member of a club you are responsible for and need to abide by club protocol/policy and FA Rules and Regulations regarding comments that you place online about the league, club, players, managers and/or match officials.
- Look at the guidance offered by the Child Exploitation Online Protection (CEOP) centre; they provide guidance for parents/ carers, children and young people. They also provide the most up to date guidance for online environments.
- The FA Respect Codes of Conduct give guidance on appropriate behaviour which can be related equally to match day, training and online environments
<http://www.thefa.com/Leagues/Respect/CodesofConduct>.
- If your daughter receives images or messages which are offensive, threatening, or unsuitable please copy and save them elsewhere or print them off before removing or destroying them. They may be needed as evidence by the Club Welfare Officer or other agencies involved in the protection of children online.

10.13 Disciplinary Procedure

Any complaint about a member or official of the Club will be dealt with as follows:

10.13.1 If the complaint is about a parent or player, the initial responsibility for resolving the complaint lies with the Team Manager. He/she should make written notes about the complaint (including dates) and speak to the individuals concerned about their behavior/actions. He/she should also make written notes about the outcome of this discussion. If appropriate, the Child Protection Officer should be informed of the complaint and the actions taken to resolve it. Managers are encouraged to seek help from the CPO or Committee whenever necessary.

10.13.2 If the complaint is about a Team or Club Official this will become the responsibility of the Committee. The Chairman, Vice-Chairman or Secretary (or alternative members as necessary) will make written notes about the complaint and speak to the person concerned, involving the Child Protection Officer if appropriate. Written notes will also be taken about the outcome of this discussion.

10.13.3 If the case is deemed to be particularly serious or the inappropriate behaviour/actions continue after the initial complaint, this will be addressed by requesting that all parties involved attend a meeting with a Disciplinary sub-Committee consisting of 3 Committee members (plus the Child Protection Officer, if appropriate). All parties will be asked to provide written statements before the meeting. The Disciplinary sub-Committee may choose from the following:

10.13.3.1. The complaint may be dismissed after reviewing the facts

10.13.3.2. Individuals from either party may be warned in writing about their conduct and told to avoid any repetition.

10.13.3.3. The Disciplinary sub-Committee may recommend to the main Committee that the individuals concerned should be expelled from the Club and then informed of this in writing if agreed.

10.13.3.4. If the individual(s) wish to appeal, they must do so in writing to the Chairman or Vice-Chairman within 14 days of receiving the decision of the Disciplinary sub Committee. They will be invited to put their case to the full Committee which will then make a final and binding decision.

The Club reserves the right to seek advice from either the Derbyshire F.A. or the Police on any matter, which may in course lead to further actions or charges being pursued.
